## Select your color

Hope's Windows, Inc., the world's preeminent manufacturer of custom steel windows and doors, has partnered with PPG Industries, the world leaders in coating technology.

This alliance enables Hope's Windows to provide a finishing system that offers color, corrosion resistance and durability for our custom steel windows and doors. With more than 70 years of experience and expertise as an innovator of quality coatings for architectural and outdoor applications, PPG Industries sets the bar for performance.

Because color is an important element in achieving overall design, we offer many options. Work with our team to create a custom color or choose a color from this palette. Either way, you get Hope's custom steel windows and doors and the beauty and endurance of PPG Industries' tough, weather fighting coatings.

**THE STRENGTH. THE VERSATILITY. THE ARTISTRY OF STEEL**
